Strg + Wheel: Rotate Building

CHEATS taken from [dlh.net]

Type *alyenya* during the game to enable the cheat mode. now you might press:

- [Alt][E] Enemy units health is 1
- [Alt][Y] All events flags cleared
- [Alt][U] First task in all academies finished
- [Alt][I] Toggle visibility of units
- [Alt][J] Enable/disable fake times
- [Alt][F] All buttons and mouse enabled
- [Alt][M] Win mission

These cheats do not work with the update to v1.66.
