Auto Targeting

CHEATS taken from [dlh.net]

Just run the game with the '-setusupthebomb' option (HostileWaters.exe -setusupthebomb) and then ingame you can press F8 to bring the console where you can use one of this cheats (F8 again will remove the console. Codes are case sensitive):

Code	Effect
enableallmovies 1	Enables all movies into the 'Cinema' menu
filthylucre 1	Gives 999999EJ
invulnerable 1	All you units is invulnerable
revealmap 1	Reveals mission map
Winlevel 1	Successfully complete mission
